What is the **Menah** Academy?

A **self-guided** online program designed to lead **MEPI alumni** through crafting problem statements, setting goals, project planning, budgeting, proposal writing, and stakeholder engagement. Developed by World Learning experts, this inclusive course offers subject matter materials and is an opportunity for alumni to gain new skills in seeking **grant-funding**.

What's in it for the **MEPI Alumni**?

The course offers two **certificates** for those meeting minimum criteria. Earn the **Project Designer** certificate by completing the webinar series and all associated core modules and **assignments**, or achieve the **Project Manager** certificate by completing additional modules provided. (*See modules below*)
