

PEER-TO-PEER SUPPORT

INTRODUCTION

The MEPI Alumni Connection (MAC) team is committed to fostering a thriving alumni network that not only strengthens professional and academic growth but also promotes a culture of mutual support and shared learning. Our Peer-to-Peer (P2P) support programs are a cornerstone of this mission, designed to provide customized, one-on-one support tailored to the individual needs of our alumni. These programs aim to connect alumni with shared goals, challenges, and expertise to enhance both personal and professional development.

Tailored Plans for Professional and Academic Peer-to-Peer Support

The Peer-to-Peer Support programs are designed to address the unique needs and aspirations of each alumnus, recognizing that both professional and academic growth are vital to long-term success. These initiatives provide alumni with the flexibility to receive guidance in specific areas, depending on their goals and challenges. Below, we expand on the key offerings in both Professional Support and Academic Support to help alumni understand their options and choose the best fit for their development journey.
